

Thank you for your support!

Twin Oaks Shelter relies on the generous donations and financial contributions of the Walworth County community. Our mission simply isn't possible without your support.

As a shelter, we balance the need for donations with our limited storage space. Please refer to these donation guidelines or call the shelter at (262) 882-3662 before dropping off donations.

We welcome the following donations...

If you have a larger item in good condition that a family starting out may need please contact the shelter. We may happen to have a family in the process of moving in which case storage at Twin Oaks would not be necessary and we could accommodate the item.

If you have any questions please do not hesitate to contact Elizabeth Knapp-Spooner, Twin Oaks Shelter Manager.
