Janesville Learning Center:
We serve children from two weeks old to twelve years old, using a developmentally-appropriate curriculum. We offer extended hours to accommodate working families. We are open 5:00 AM - 11:30 PM with flexible scheduling so you have child care when you need it. We are available for families on weekdays when school is closed and try to remain open for snow days.

Community Kids Janesville has earned a five out of five star rating through Wisconsin’s quality rating system, YoungStar. Our trained, professional teachers set goals that are unique to each child, with documentation of your child’s progress in their personal portfolio. In addition to regular updates, we offer parent conferences with hopes of building our partnership with you.

With the help of generous donors we have been able to update our outdoor learning space and security system. We were able to add new age-appropriate play structures, a wooden stage, balance beam, a track for cars, and a butterfly garden.

P4J and Head Start:
Community Kids Janesville is a School District of Janesville P4J host site. We offer both morning and afternoon preschool sessions. Within this classroom we also have slots for families that qualify for Head Start. To enroll your four-year-old in this free program, please contact the school district at
