Community Contributions are Critical

Community Action's funding comes from a variety of sources, with gifts of financial support from individuals, families, churches, organizations, businesses, foundations, and the United Way playing a critical role.

If you or someone you know is interested in contributing to Community Action's mission, please contact us today. All financial gifts play extremely valuable roles in helping us fight and prevent poverty in our local communities.

No gift is too small in helping us do our work.

AWARE is a coordinating hub that pulls together multiple people and organizations in Evansville to make our community a better place to live.

About AWARE

AWARE is a grassroots program created in 1998 to address the needs of Evansville's growing low-income population. AWARE's services benefit struggling families, seniors and disabled adults who reside within the Evansville Community School District.

Although we are a program of Community Action, AWARE's focus groups and surveys ensure that we address the Evansville community's truest needs. All financial and in-kind contributions to AWARE are fully tax-deductible and invested 100% in our community to help local friends, families and neighbors in need.

We accept online credit card and PayPal donations through the AWARE page at www.community-action.org.
