How did you hear about us?				

I understand by signing this application, I give permission to my heating and electric supplier(s) to provide details about my account and energy use to Community Action Inc. I authorize Community Action Inc., to be able to obtain information concerning my home energy use and billing, and housing information from landlords and subsidized housing offices. I also understand that my application being placed on the waiting list does not guarantee that my home will be weatherized and that I must continue to receive Energy Assistance each year until my home is weatherized to continue to stay on the waiting list. Furthermore, if I move, I have to re-apply for the program at my new address and start the process from the beginning.
